Indian Merchants Blame Govt. For Stalemate

Chamber President On "Imbecile Propaganda In Name Of Grow More Food Campaign"

A survey of the continuing political stalemate, problems arising out of the acute food situation, the problems arising out of the control of cloth and cotton and the difficulties of communication were made by Mr. Haridas Madhavadas, President, Indian Merchants' Chamber, at the second quarterly general meeting of the Chamber on Tuesday. Practically a year had gone by since the trusted and beloved leaders of India were rounded up, and yet the stalemate continued. Their feelings had so often been expressed that it was better to pass over the subject in dignified silence—a silence of patient protest and resentment.

Adverting to the moves to substitute a Government by ministers in certain provinces, he said that while Provincial autonomy was welcome, it was not Provincial autonomy which was a Government consisting of a Cabinet of persons who do not enjoy the confidence of the electorate or the legislature. If there were any desire to do away with the stalemate the only thing to do was to give the imprisoned leaders an opportunity to place their views before the Government and the people.

ON FOOD SITUATION
Adverting to the food situation he said that besides the slaughter of soldiers, sailors and pilots, the war was resulting in the death of large numbers of people due to starvation. Unfortunately except in the "Grow More Food" campaign in the name of Government, the wider problems of inter-provincial co-operation, control of the Central Government over Provincial Governments, etc.

Citing the words of Sir Sultan Ahmed Ali Khan, the middle man, the speculator and the hoarder, Mr. Haridas Madhavadas said that hard work does not break stones and such criticism of all units of the population was unfair and unjust. He blamed the complacency and bungling of Government.

"IMPRACITABLE"
The speaker also criticised the Cloth Control Order as impracticable. There were five fundamental interests as far as cotton goods were concerned, viz., cotton producers, cotton distributors, cotton goods manufacturers, cotton goods distributors and consumers. The Textile Control Board was not adequately representative of all these sections.

He also pointed out the difficulties and problems of transport and communication and in particular urged the restoration of the Kailashwar Express.

Mr. Pranlal Devkar Nanjee, Vice-President, assured that India would be able to overcome all these difficulties.

High Court:

13 YEAR-OLD SUIT DISPOSED OF

(Before the Hon. Mr. Justice Bagenal) The Central Bank v. India Ltd.

Rangnath Khemraj and Others Defendants.
Thakorelal, widow and Applicants.

The litigation of which this motion forms a part has been going on merely for thirteen years, and as far as I can see, is likely to go on for as many centuries," observed his Lordship in disposing of a Notice of Motion taken out by the heirs of one of the defendant-mortgagors.

The first defendant and his brother Shrinivas purchased a mortgage certain four mills at Lucknow for Rs. 4 1/2 lakhs on 24th May, 1928, to the plaintiff-bank. On 9th September, 1930, the mortgagors were adjudged insolvent by this Court. The bank having filed the present mortgage suit, on 28th January, 1931, the Court passed a preliminary mortgage decree, and on 28th August, 1931, a decree absolute for sale and after several proceedings and suits the mills were sold to one Benarasisdas Bhagatdas for Rs. 6,00,000 on 17th April, 1943.

On 19th May, 1943, the applicants who were the widow and minor son of the second insolvent Shrinivas Khemraj, took out this Notice of Motion for an injunction restraining the auction-purchaser from applying for a confirmation of sale, for being brought on the record as parties and for redeeming the mortgaged mills on payment of Rs. 4,15,000.

On behalf of the applicants it was contended that just before the insolvency the mortgagors and the minor applicant constituted a joint family, that the mills had been purchased out of the joint-family funds and had been mortgaged to secure debts not binding on the minor coparceners.

His Lordship was of opinion that though the applicants might get the relief sought in a partition suit which has been filed by the minor applicant, there was no rule of law entitling the applicants to come in now. His Lordship therefore held that the auction-purchaser was entitled to an order confirming the sale for what it was worth, and dismissed the Notice of Motion with costs.

Karachi League Conference Demands Right Of Self-Determination

KARACHI, Aug. 2. A resolution opening that it is the birthright of the Muslim Nation to have their national states in regions where they form a majority and in order to achieve that object the Muslims of Sind have an important part to play in the future programme of the Muslim nation, was passed by the Karachi District Muslim League Conference held at Tatta yesterday under the presidency of Pir Ghulam Jamshed of Hyderabad.

The resolution further urged upon the Sind Muslims to prepare themselves for the achievement of the above object and be ready for all sacrifices which they may have to undergo for self-determination and freedom.

Another resolution urges upon the Sind Muslims to enlist themselves as members of the National Guard in large numbers.

Other resolutions "inter alia" appealed to Muslims that they should cultivate the habit of purchasing from Muslims and open more shops.—A. P.

**Remarkable Progress Made By
The International Bank Of
India, Ltd.**
HANDSOME PROFITS AND DIVIDENDS TO
SHAREHOLDERS

Seth Chunilal Khusaldas Patel
Chairman of the International
Bank of India, reviewing the pro-
gress of the bank made during
the year said:

"It is a matter of very great
pleasure to me to present to you
the Balance Sheet and the Profit
and Loss Account for the year
ended March 31st, 1943, and crave

your indulgence for bringing out
the salient points about not only
the Balance Sheet but also about
the unrivalled progress your insti-
tution has made in the year cov-
ered by the accounts. It is also
my duty on an occasion like this
to inform you fully of the position
of the Bank in view of the cir-
cumstances prevailing in the pre-
sent day Markets.

"You will find from the Balance
Sheet that there has been an in-
crease of nearly 500% in deposits
which rose from a modest figure
of Rs. 40,00,000 (Rupees forty
lacs) as on 31-3-1942 to an im-
posing deposit of Rs. 1,90,00,000
(One crore and ninety lacs). The
number of offices has also in-
creased and to-day this institution
has 12 offices distributed all over Gu-
jarat and Kathiawar. In this con-
nection, I would like to draw your
attention that one of the chief
objects with which this institution
was founded, e.g., the estab-
lishment of branches in all im-
portant towns of Gujarat and Ka-
thiawar, has been steadfastly fol-
lowed by the Directors and with
the further expansion of branches
which the Directors have under-
taken in the next few months, our
hold and link over entire Gujarat
and Kathiawar will be complete.

"The profit for the year amount-
ed to Rs. 1,36,910-10-9 includ-
ing the amount of Rs. 23,986-12-9
carried forward from the last
year. You will agree with me
that the decision of the Directors
of taking such a substantial sum as
Rs. 50,000 to Reserve and in de-
claring a Dividend of 4% Free of
Income-tax, which compared to
the present yields on the market
makes the share of the Bank a

very attractive and paying pro-
position.
"In view of the rise in deposits
and in view of the fact that this
institution has already earned for
itself a distinctive place in bank-
ing and to further consolidate the
position of the Bank, which to-
day has become an institution of
respectable dimensions having a
large number of branches, your
Directors have concentrated on the
question of additional capital.

"I have the greatest pleasure to
state that applications for the
whole of the unsubscribed cap-
ital have been received which
makes the subscribed and Paid-up
capital Rs. 50 lakhs and Rs. 25
lakhs respectively.

"Following the several Ordinances
of the Government of India, the
general level of prices have come
down considerably and no better
glowing tributes can be paid to
the acumen of the far-sighted pol-
icy of your Directors than to
state that in spite of the up-
heavals in the markets your loans
and advances position have re-
mained safe and satisfactory. We
have not had a single instance
where we were either compelled
to realise our security by a forced
sale or encountered the slightest
difficulty. Long in advance your
Directors had taken precautions to
restrict their advances to such
that are not affected by any dis-
turbance and upheaval in the mar-
ket. It is but fit that I should
specially state here about the
splendid co-operation and team
work. I have received at the hands
of my colleagues on the Board and
the general public.

"The year to come holds bright
prospects. A branch of the Bank
has been opened at Baroda and
like all other Branches has re-
ceived a very successful response.
The same encouragement is an-
ticipated at all the Branches sche-
duled to be opened in the course
of the next few weeks at Broach,
Godhra and Surat.

"I request that the report and
accounts for the year ended 31st
March, 1943, and the several re-
commendations made in the re-
port of the Directors be acted
upon by you.

"Thanking you for your pre-
sence here and for your valuable
co-operation."

Mazagaon Court Fire Case
The Mazagaon Court Fire Case came
up for hearing before G. H. Sabnis,
Presiding Magistrate, Girgaum
Court to-day.

The accused in the case are Mahad-
ev, Balaji, Kaji and Laxmi and
Sahib, Haji Zaver Gilani and Laxmi
Sakharam Mandre. Tukaram Nikam
and Jijana. Pamas, two other ac-
cused in the case having turned ap-
provers, the proceedings against them
were dropped. Kaverilal Mansukhlal
Divecha, one more accused was dis-
charged by the Special Court.

The prosecution alleged that the ac-
cused, in October last, committed
mischievous fire and explosion sub-
stances in the premises of the Ma-
zagaon Police Court and the New Great
Eastern Mills, and had thereby en-
dangered human life and property.

In opening the case Mr. C. B.
Velkar, the public prosecutor narrated
the plot hatched by the accused to
throw bombs on the premises of
the Mazagaon Court and the Great
Eastern Mills.

At a meeting held at Matunga in
September last, it was decided to
cause fire by explosion in the pre-
mises of the New Great Eastern
Mills. In pursuance of this decision
one of the accused was sent to Satara
to purchase country-made bombs. He
did so and returned to Bombay.
Meanwhile one of the accused had
been arrested by the Bombay C.I.D.
and was put up before Mr. M.A.P.
Coelho, Magistrate, Mazagaon, on
certain charges. Smelling danger,
the accused decided to burn down the
premises of the Mazagaon Court. In
accordance with this decision the
prosecutor alleged, accused Nos. 2
and 7 set fire to the record room of
the Mazagaon Court by means of an
explosive.

The case is proceeding.
Messrs. M. P. Vyas, Krishnamurti,
H. R. Parthasarthy and V. R. Upadhyaya
appeared for accused Nos. 1, 2, 3
and 4 respectively.

**ECHO OF AUGUST
DISTURBANCES**
5 Armed Constables Sen-
tenced In Double Murder
Case
(From Our Correspondent.)
ALLAHABAD, Aug. 3.
Holding that the case against the
accused was fully established and that
the evidence against them both cir-
cumstantial and direct was overwhelm-
ing, the Sessions Judge of Allahabad
sentenced Naik Shamsuddin and Lance
Naik Saifur Hussain of the special
armed constabulary to capital punish-
ment in double murder case in which
a bania and his wife of the village
Laur in Meja Police circle of this
district were shot dead by the accused.
Three other members of the S.A.C.,
namely, Mohammad Idris, Ahmed
Ruslan and Mohammad Raza who
were only 21, 20 and 19 years old
respectively and who participated in
this crime under the orders of "their
chief" were sentenced to transpor-
tation for life.
All the five accused were also sen-
tenced to three years' R.I. under
section 148 (rioting) I.P.C.
The prosecution story was that the
accused shot dead a Bania woman
in the grave and her husband near
a telegraph pole on the railway line
near a village during August Distur-
bances without any reasonable
ground. It was alleged that they
dragged a Bania from his house to
telegraph pole owing to a private
quarrel, and his wife followed her
husband shouting for help. The ac-
cused pleaded self defence and the
exercise of their official duty.

**'The Private Secretary' At
St. Xavier**
A correspondent writes:—Charles
Hawtreys farcical comedy "The Pri-
vate Secretary" staged by the Young
Men's Society on Sunday last at St.
Xavier's School Hall kept the house
roaring with laughter for over three
hours. The talented young actors who
had presented "The Passion Play" and
Saint in a Hurry to packed houses
for days at a stretch seem to be well
set for even a greater reception, as
this play has no religious background
whatsoever. Besides being staged at
the Clare Road Convent, Byculla, Don
Bosco High School, Matunga, and Vic-
toria High School, Matunga, on the 7th,
8th and 14th instant the sodality has
received several other invitations to
stage the play. The orchestra, musical
and dance interludes by the young
ladies and the opening chorus by
the seniors have all come up to the
Y. M. S. standard. Lancelot
Noronha as the "Private Secretary" and
Benedict Mascarenhas as "Catermole"
were both in top-notch form.
